

Rostyslav V Bubnov, M.D., Ph.D., LL.B.

Date of birth 22.06.1977, place of birth: Lviv, Ukraine.

Nationality: Ukraine

Affiliation:

- National Representative in Ukraine of the European Association for Predictive, Preventive and Personalized Medicine (EPMA);
- Medical doctor in Center of ultrasound diagnostics and interventional sonography, Clinical hospital "Pheophania" of Administration of President of Ukraine;
- Researcher in Zabolotny Institute of Microbiology, Virology, National Academy of sciences of Ukraine;
- Associate Editor of The EPMA Journal (Springer/BioMed Central);
- Editor in Chief of the Journal of Musculoskeletal Ultrasound (JMUS);
- Professor in MVClinic, Madrid (Ultrasound-guided Dry Needling course)

03680 Ukraine

Kyiv, Zabolotny str., 21

Clinical hospital "Pheophania"

rostbubnov@gmail.com

http://rostbubnov.narod.ru/bubnov_eng.html

Publications: Author and co-author of over 300 paper, including 10 monographs and book chapters, 16 patents, position papers, guidelines like `EPMA Position Paper in Cancer` and number of `highly accessed` articles on Springer / Biomed Central and author of [BioMed Central blog](#)

(<http://scholar.google.com.ua/citations?user=k9YfXKwAAAAJ>)

https://www.researchgate.net/profile/Rostyslav_Bubnov/

<http://orcid.org/0000-0003-3148-9884>

<http://www.researcherid.com/rid/E-8395-2013>

<http://www.scopus.com/authid/detail.url?authorId=38360919800>

Editor and Peer reviewers of a number of journals

(see <https://publons.com/author/317326/rostyslav-v-bubnov>) and expert evaluator for number of National and international projects.

Language skills: English, Polish, Russian and Ukrainian.

Education:

- 2013 –2016 - LL.B., International Solomon University, law, medical law
- May 2012 Ph.D. thesis "Role of ultrasonography in the regional anesthesia in operations on the lower extremities", Kharkiv Medical Academy of Postgraduate Education;
- 2000-2002 Residency on "Surgery" at Horbachevsky Ternopil State Medical University;
- 1994-2000 M.D., the Medical faculty of Horbachevsky Ternopil State Medical University, specialty "Medicine".

Corresponding member, Professor of Ukrainian Academy of Information (2013,2016)

Postgraduate education:

- 2015, Jul. – Basic Science Course 2015 „Hot topics in experimental GI cancer“, taking place in Erasmus MC (Rotterdam) and Amsterdam MC (Netherlands). The course included state-of-the-art lectures and hands-on training: mouse endoscopy, pathology assessment and intestinal fibroblast isolation, generating 3D gut models in vitro by organoid culturing and imaging; and analysis of bacterial translocation/composition, transepithelial resistance in 2D barrier function models in vitro, and design of animal models.
- 2014, Jul. - Basic Science Course 2014 „Hot topics in experimental GI cancer“, taking place in the Klinikum rechts der Isar, Technical University Munich, Germany. Teaching sessions: „Imaging in mice (MRI, Ultrasonography, Coloscopy, Luciferase Imaging)“; „Isolation of dorsal root ganglia“.
- 2013, Sept. - Teaching course on Electromyography at WFN/EFNS 2013 in Vienna.
- 2013, April - Research Course „Young Investigators Meeting“ at House of European Gastroenterology, Vienna, Austria.
- 2011, Nov. - Postgraduate Course „Advances in Gastro-Intestinal Surgery“ - European Digestive Surgery (EDS), Lublin Poland.
- 2011, Aug - Categorical course „New Ultrasound techniques“ (ultrasound contrasts) at WFUMB 2011, 13th World Congress of the World Federation for Ultrasound in Medicine and Biology in conjunction with 35th joint meeting of the Austrian, German and Swiss Societies for Ultrasound in Medicine (Dreiländertreffen) in conjunction with Euroson 2011, 23rd Congress of EFSUMB in Vienna, Austria.
- 2011, Sept. - Teaching courses on clinical neurophysiology (Nerve conduction study, Electromyography), neuromuscular diseases, autonomic nerve system diagnostic and disorders at 15th Congress of the European Federation of Neurological Societies that was held in Budapest, Hungary.
- 2008, Jun. - Training Workshop "Endosonography, puncture interventions in endosonography", Kyiv, Ukraine.
- 2008 - course of scholarship „Fine needle biopsy of thyroid gland under ultrasound guidance“ at the Institute of Endocrinology and Metabolism, National Academy of Medical sciences of Ukraine.
- 2005 - residency (course of specialization) „Ultrasound diagnostics“ at Shupyk Kyiv National Medical Academy of Postgraduate Education.
- 2004 - course of scholarship „Homeopathy and computer electropuncture diagnosis and treatment“ at Danylo Halytsky Lviv National Medical University.
- 2003 - course of specialization „Manual Reflexology“ at Danylo Halytsky Lviv National Medical University.
- 2002 - residency (course of specialization) „Endoscopy“ at Danylo Halytsky Lviv National Medical University.
- 2002 - residency, training courses in diagnostic and therapeutic endoscopy in Rivne Regional Clinical Diagnostic Center.
- 2000-2002 residency, Rivne Regional Hospital, specialty `Surgery`.

Positions:

- Since 2005 - medical doctor in Center of ultrasound diagnostics and interventional sonography, multidisciplinary Clinical hospital “Pheophania” of Administration of President of Ukraine.
- Since 2012 - researcher in Zabolotny Institute of Microbiology, Virology, National Academy of sciences of Ukraine.
- Since 2012 - National Representative in Ukraine of the European Association for Predictive, Preventive and Personalised Medicine (EPMA) and Coordinator of the regional EPMA-BOARD in Ukraine.
- Since October 2013 - Editor in Chief of the Journal of Musculoskeletal Ultrasound (JMUS);
- Since May 2014 - Managing editor of Special Issue in 'Frontiers in Bioscience'
- Since Dec 2014 - Associate Editor of Section `Body Culture and Sports Medicine` of The EPMA Journal (Springer/BioMed Central)
- Since May 2015 - Handling Editor of Special issue `Arthritis & Pain` in `Journal of Arthritis`
- 2000-2003 Medical doctor (surgeon) at Rivne Regional Hospital for disabled veterans.
- 2002-2003 - Medical doctor (endoscopist) at Rivne Regional Hospital for disabled veterans.
- February-March 2005 – Medical doctor at Kyiv City Emergency Medical Services and Disaster Medicine.

Awards and Grants:

- 2013 – V.I.Vernadsky Medal “For impact to the Science”;
- **October 2012 - Winner of President of Ukraine Award for Young scientist;**
- First place at Humboldt Kolleg Young Scientists Competition in Section “Life Sciences” "Mathematics and life sciences: possibilities, interlacements and limits". - report Rostyslav Bubnov "Mathematical Modeling in Modern Ultrasonography";
- Winner (first place) "Highlights of Ukrainian science and education - 2010" in network "Ukrainian Scientists Worldwide" for research, dedicated to interventional neuro-musculo- skeletal sonography, treatment of pain syndromes, ultrasound of neuroimaging;
- Runner up in Category "Innovations in computer aided engineering" on “Mimics Innovation Awards 2011” - report “Integrated application of three-dimensional modeling to study nerves anatomy for regional anesthesia under ultrasound guidance based on the expert segmentation of sonographic images using Mimics software”.
- Invited expert at The International Scientific Association for Probiotics and Prebiotics (ISAPP) 2016 meeting .
- Travel grant for the attendance the 21st WFN World Congress of Neurology in Vienna, Austria, Sept. 21-26.
- Travel grant for the attendance The 16th Congress of the European Federation of Neurological Societies (EFNS) in Stockholm, Sweden, September 8-11, 2012
- Travel grant for the attendance 15th Congress of the European Federation of Neurological Societies, Budapest, Hungary, September 10-13, 2011.
- Travel grant for the attendance United European Gastroenterology Week (UEGW 2011), Stockholm, Sweden, October 22 - 26, 2011.
- Queen Jadwiga Stipend for fellowship at Jagellonian University in Krakow/Poland for 2011 – 2012.
- Participant of SEVENTH FRAMEWORK PROGRAMME grant Marie Curie Actions, People “EU-Ukrainian Mathematicians for Life Sciences” PIRSES-GA-2011-295164.

Research interests in medicine:

RVB has extensive integrated expertise in bio/medical fields and healthcare within concept of Predictive, Preventive and Personalized Medicine. The most valuable scientific contribution has been acknowledged in the fields of radiology, ultrasound, musculoskeletal imaging, trigger points ultrasound visualization in neurology, pain medicine; bioinformatics, animal modeling (liver fibrosis, heart failure, DM, PD, arthritis, cancer models on rats and mice), and mathematical modeling (fractal analysis of radiology images, stochastics); nanomedicine (study of bioeffects of nanoparticles of gold and nanocerium), sonoporation, etc. The special research interest covers issues in radiology, ultrasound guided interventions; gastroenterology; cardiology; nanomedicine; pain, muscle, nerve physiology, trigger points therapy; surgery; integrative medicine; theranostics; drug delivery; immunology; probiotics; animal modeling; ultrasound in biomedical experiment.

Research interests in paramedical disciplines, technology and biomedical engineering:

Research interests in paramedical disciplines has focused on three-dimensional modeling, image processing in visual diagnostics; development of educational models, programs; animal modeling, preclinical imaging; intelligent decision making in medical diagnosis and interventions.

Educational Experience:

Speaker at many congresses and workshops of number of medical societies (EPMA, ISAPP, ISMUS, EFSUMB, WFUMB, WCN, EFNS, ENS, MDS, IASP, UEG, EDS, ITHEA, etc), and participate as an active member.

Lecturer at workshops, regular trainings for radiologists, anesthesiologist, physical therapists “Nerve ultrasonography”, “Myofascial pain” at multidisciplinary meetings: Ultrasound Societies (2010-2013), British-Ukrainian Symposiums (2009, 2010, 2011, 2012), “Ultrasound-guided Dry Needling techniques” course in Madrid at MVclinic.

Membership:

- EPMA - European Association for Predictive, Preventive and Personalised Medicine
- ERS - European Society of Radiology
- ISMUS - International Society for Musculoskeletal Ultrasound
- ESDO - European Society of Digestive Oncology
- IASP - International Society of Study Pain
- EDS - European Digestive Surgery
- ITHEA - Institute for Information Theories and Applications
- УАФУД - Українська асоціація фахівців ультразвукової діагностики
- СПРО - Санкт-Петербургское радиологическое общество

Editorial activity

RVB is founder and the Editor in Chief of Journal of Musculoskeletal Ultrasound (JMUS) and associate Editor of `Body Culture and Sports Medicine` Section of EPMA Journal (BioMedCentral, Springer). He is serving as a Member of Editorial Boards and referee in number of journals (<https://publons.com/author/317326/>).

- [Journal of Musculoskeletal Ultrasound \(JMUS\) - Editor-in-Chief](#)
 - [Associate Editor - The EPMA Journal \(Springer/BioMed Central\)](#)
 - [Handling Editor of Special issue `Arthritis & Pain" in `Journal of Arthritis`](#)
 - [World Journal of Hepatology](#)
 - [Special Issue in 'Frontiers in Bioscience'](#)
 - [Pathogenesis \(Elsevier, The Royal College of Pathologists\)](#)
 - [Neurotransmitter](#)
 - [International Journal of Diagnostic Imaging](#)
 - [International Journal of Cardiology and Research \(IJCRR\)](#)
 - [Austin Journal of Radiology](#)
 - [Austin Journal of Invitro Fertilization](#)
- etc.
