

Prof. Dr. Dainius Characiejus
Faculty of Medicine, Vilnius University
dainius.characiejus@gmail.com

Dainius Characiejus got a M.D. degree from Vilnius University, Lithuania in 1980 and Ph.D. (equivalent) degree from the Research Institute of Oncology, Sankt-Petersburg, Russia in 1987. D. Characiejus was awarded Cancer Research Training Fellowship by the International Agency for Research on Cancer in 1988 and Yamagiwa-Yoshida Memorial International Cancer Study Grant by the International Union Against Cancer in 1993. During the tenure of these fellowships (1988 to 1989 and in 1994) he worked at Utrecht University, the Netherlands.

During 1980-2008 D. Characiejus worked at the Institute of Oncology in Vilnius as Junior Researcher, Senior Researcher and Deputy Director for Research. Presently, D. Characiejus is Professor of Pathophysiology and Immunology at Faculty of Medicine, Vilnius University. His recent research interests include prediction of response in cancer immunotherapy.
